

*International online conference for young scientists and scholars*

***Ukraine and the World: Past, Present, Future  
(to the 30th Anniversary of the Independence of  
Ukraine)***

Saturday, May 29<sup>th</sup>, 2021

## **Topics of Interest and Call for Scientists and Scholar Submissions**

The potential participants are invited to prepare a presentation that covers a wide range of issues related to the processes around and within Ukraine, including the following:

- Ukraine in the context of bilateral relations with key international partners.
- Ukraine's cooperation with leading international organizations.
- Ukraine and new challenges at the global, regional and local levels.
- Political system and civil society in independent Ukraine: evolution, current state and prospects.
- Reforms and tackling corruption as a litmus test for the development of Ukrainian society.

**- Other related topics are welcome.**

***Conference language:*** English

A compendium will be prepared based on the results of the conference. Deadline for submission of the articles and theses of articles for printing: July 15, 2021.
